## Issues & Strategic Options Consultation

**NEWCASTLE  
UNDER LYME**  
BOROUGH COUNCIL

### We need to hear from you

On 13 January 2021 the Borough Council resolved to undertake a new Local Plan for the Borough of Newcastle-under-Lyme. The Local Plan is used to guide decisions on matters ranging from the location of housing, schools, parks and open spaces to the design requirements of new buildings. Policies in the Local Plan are used when decisions on planning applications are made.

We would like to hear from you!

We want your views on the identified key planning issues facing the borough over the next Local Plan period (to at least 2040), the potential options to address them and suggested policy options.
