## **Annual Governance and Accountability Return 2017/18 Part 3**

#### To be completed by:

- all smaller authorities\* where either the higher of gross income or gross expenditure exceeded £25,000 but did not exceed £6.5 million; and
- any other smaller authorities that either:
  - · are unable to certify themselves as exempt; or
  - have requested a limited assurance review.

# Guidance notes on completing Part 3 of the Annual Governance and Accountability Return 2017/18

- 1. Every smaller authority in England that either received gross income or incurred gross expenditure exceeding £25,000 **must** complete Part 3 of the Annual Governance and Accountability Return at the end of each financial year in accordance with Proper Practices.
- 2. The Annual Governance and Accountability Return is made up of three parts, pages 3 to 6:
  - The annual internal audit report is completed by the authority's internal auditor.
  - Sections 1 and 2 are to be completed and approved by the authority.
  - Section 3 is completed by the external auditor and will be returned to the authority.
- 3. The authority **must** approve Section 1, Annual Governance Statement, before approving Section 2, Accounting Statements, and both **must** be approved **before 2 July 2018**.
- 4. An authority with either gross income or gross expenditure exceeding £25,000 or an authority with neither income nor expenditure exceeding £25,000, but which is unable to certify itself as exempt, or requesting a limited assurance review, **must** send to the external auditor:
  - the Annual Governance and Accountability Return Sections 1, 2 and 3, together with
  - a bank reconciliation as at 31 March 2018
  - an explanation of any significant year on year variances in the accounting statements
  - your notification of the commencement date of the period for the exercise of public rights

Unless requested, do not send any original records to your external auditor. Your external auditor will ask for any additional documents needed.

Once the external auditor has completed and is able to give an opinion on the limited assurance review, the Annual Governance and Accountability Return including **Section 3 – External Auditor Report and Certificate** will be returned to the authority.

#### **Publication Requirements**

Smaller authorities with either income or expenditure exceeding £25,000 **must** publish on a public website, under the Accounts and Audit Regulations 2015, the Annual Governance and Accountability Return:

- Section 1 Annual Governance Statement 2017/18, page 4
- Section 2 Accounting Statements 2017/18, page 5
- Section 3 The External Auditor Report and Certificate 2017/18, page 6
- Notice of the period for the exercise of public rights and other information required by Regulation 15 (2), Accounts and Audit Regulations 2015.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

\*for a complete list of bodies that may be smaller authorities refer to schedule 2 to Local Audit and Accountability Act 2014.

# Guidance notes on completing Part 3 of the Annual Governance and Accountability Return 2017/18

- The authority must comply with Proper Practices in completing Sections 1 and 2 of this Annual Governance and Accountability Return. Proper Practices are found in the Practitioners' Guide\* which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the Annual Governance and Accountability Return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed Annual Governance and Accountability Return. Any amendments must be approved by the authority, properly initialled and accompanied by an explanation. If the Annual Governance and Accountability Return contains unapproved or unexplained amendments, it may be returned and additional costs will be incurred.
- The authority **should** receive and note the annual internal audit report prior to approving the annual governance statement and before approving the accounts.
- Use the checklist provided below to review the Annual Governance and Accountability Return for completeness before sending it to the external auditor.
- Do not send the external auditor any information not specifically requested. However, you **must** inform your external auditor about any change of Clerk, Responsible Finance Officer or Chairman, and provide relevant email addresses and telephone numbers.
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the Annual Governance and Accountability Return covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (Section 2, page 5). An explanation must be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide\**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the explanation.
- If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or variances are not fully explained, additional costs will be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2017) equals the balance brought forward in the current year (Box 1 of 2018).
- Please enter the authority's name only in Section 3 on Page 6. Do not complete the remainder of that section, which is reserved for the external auditor.
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights. From the commencement date for a single period of 30 consecutive working days, the accounts and accounting records can be inspected. Whatever period the RFO sets it **must** include a common inspection period during which the accounts and accounting records of all smaller authorities must be available for public inspection of the first ten working days of July.
- The authority **must** publish the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor.

Kidsgrove Parish Council Year ending 31 March 2018

### 1. INTRODUCTION

#### This page is part of Section 3 – External auditor report 2017/18

The following matters have been raised to draw items to the attention of Kidsgrove Parish Council. These matters came to the attention of Mazars LLP during the review of the Annual Governance and Accountability Report (AGAR) for the year ended 31 March 2018. This report must be presented alongside the AGAR to a full meeting of the smaller authority for review.

The review of the annual return may not disclose all shortcomings of the systems as some matters may not have come to the attention of the auditor. For this reason, the matters raised may not be the only ones that exist.

Except for the matters reported below on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no other matters have come to our attention giving cause for concern that relevant legislative and regulatory requirements have not been met.

The Council has not approved and published the Annual Governance and Accountability Return and started the period of public rights in accordance with the timetable in the Accounts and Audit (England) Regulations 2015. The regulations require these processes to have been completed by the first working day of July. For 2017/18 this was not done until 30 January 2019. For 2018/19 the Council needs to put arrangements in place to ensure that it can discharge its responsibilities in line with the statutory timetable.

The Council has stated in Section 1, item 5, that it has carried out a risk assessment and taken appropriate action to manage those risks including the introduction of internal controls and / or external insurance cover where required. However, Internal Audit reported that the Council did not have sufficient premises and fidelity insurance cover. The Council has taken steps to address this in 2018/19 but should confirm with internal Audit that the revised insurance cover is sufficient.

#### Other matters not affecting our opinion which we draw to the attention of the smaller authority:

During 2017/18 the Council did not met the requirements of the Accounts and Audit (England) Regulations 2015 in providing electors with a period of 30 working days, including the first 10 working days of July, to inspect the accounts. The Council correctly answered no to the relevant assertion in the 2017/18 Annual Governance Statement and the non-compliance was the unavoidable consequence of the late approval referred to in the qualification above.

The Council has not fully implemented recommendations made in 2016/17 internal and / or external audit reports. In undertaking the review of the 2017/2018 Annual Governance and Accountability Return it came to our attention that in 2018 the Council has again not met the requirements of the 2015 Regulations to provide electors with a period of 30 working days, including the first 10 working days of July, to inspect the accounts. The Council has correctly answered no to the relevant assertions in the 2017/18 Annual Governance Statement. In future, the Council should ensure that appropriate action in response to audit recommendations is taken within a reasonable time. The Council should also answer no to assertion 4 in the 2018/19 Annual Governance Statement.

The 2017/18 internal audit report identified significant weaknesses in internal control. The Council has correctly answered no to assertion 4 in its annual governance statement. The Council should ensure that it implements internal audit recommendations promptly.
